Community Care Connections, Inc. is proud to be a member agency of the United Way of Butler County. Since 1989, CCC has received United Way funding, which has been used to provide services through the Infant-Toddler Therapy Services Program, the Adult Services Program and the Children’s Services Program. Community Care Connections, Inc. also receives donations designated by people working in neighboring counties through the United Way of Southwestern Pennsylvania.
ADULT SERVICES PROGRAM

The CCC Adult Services Program provides life-skills training for adults who have intellectual, sensory and/or physical disabilities.

The program is designed around the training needs of each participant and has included training in meal preparation, reading, money management, personal safety, computer usage, fitness, volunteerism, social skills for individual and group situations and appropriate use of leisure time. Our classes are offered at our program center located at 114 Skyline Drive in Butler by trained and experienced staff. Activities are also offered that allow the participants to practice their newly learned skills in their homes and/or the community. The program also offers assistance with personal care and wheelchair accessible transportation to and from program activities, if needed.

The CCC Adult Services Program is funded by grants from the Butler County Human Services Department, the United Way of Butler County and by private donations.
ATTENDANT CARE SERVICE COORDINATION PROGRAM

The CCC Attendant Care Service Coordination Program provides service coordination for adults with disabilities who receive or wish to receive attendant care services. Attendant Care Service Coordination Program assists individuals:

- develop an Individual Service Plan that outlines what personal care and housekeeping services they need to remain in their homes and communities,
- connect with local providers who provide the needed direct personal care and housekeeping services outlined in their Individual Service Plans,
- secure assistive technology, adaptive equipment or home modifications as needed.

Attendant Care service coordinators also serve as liaisons between the individual and their provider of direct care services, ensuring that services are provided at the frequency, duration, and quality outlined in that individual’s service plan. They reassess individuals to ensure that their services are redesigned to meet changes in their health or living arrangements.

The Attendant Care Service Coordination Program is funded through the PA Department of Human Services Office of Long Term Living. Due to changes in department regulations, CCC stopped serving as a designated fiscal agent on December 31, 2012. The program switched from being a provider of direct service to a provider of service coordination in July of 2012. Effective July 1, 2012, the program was renamed as the CCC Attendant Care Service Coordination Program.

Services are provided to individuals residing in Butler, Venango, Armstrong, Mercer, Clarion, Allegheny, Beaver and Lawrence Counties. Services are provided free of charge to income-eligible adults, and on a sliding fee scale for others.
CAMP APPLE SUMMER DAY CAMP

The CCC Camp Apple Summer Day Camp provides a structured summer day camp experience for children, six through eighteen years of age, who have intellectual, physical or sensory disabilities.

During the months of June, July and August, Camp Apple is scheduled for two or three weeks in each month. Camp starts at 10:00 am. and runs until 3:00 pm. Children participate in day camp activities including music, outdoor discovery, crafts, adapted games and sports, cooking, money management, personal safety, volunteerism and friendship building. Swimming and field trips round out the schedule.

An Individual Service Plan is created for each child based on input from the child’s parents. Specially trained staff provide support and instruction to small groups of children according to their age, interest and abilities. One-on-one staffing can be provided, if needed.

The Camp Apple Summer Day Camp is funded by the United Way of Butler County, fundraisers, and private donations. The program is provided free of charge to eligible children.
CHILDREN’S SERVICES PROGRAM

The CCC Children’s Services Program provides life-skills training and recreational opportunities for children, ages 6-18 years, who have intellectual, sensory and/or physical disabilities.

Through one-on-one and small group activities, the children receive instruction in the areas of healthy eating and simple meal preparation, fitness and sports, handling money, stranger danger and personal safety, music, games, volunteerism, outdoor discovery and social skill development.

Our classes are offered at our program center located at 114 Skyline Drive in Butler by trained and experienced staff. Field trips are planned so the children have the opportunity to practice their skills and learn about their community.

Throughout the school year, the program activities are offered on Saturdays or at other times when school is not in session. During the summer, the program changes to a day camp format and is called Camp Apple.

The CCC Children’s Services Program is funded by a grant from the United Way of Butler County and by private donations.
COMMUNITY HOME PROGRAM

The CCC Community Home Program provides residential placement for adolescents and adults with intellectual disabilities.

CCC operates eight homes in the Butler area. Each site is home for three individuals. Each resident has his/her own bedroom which they may decorate according to their interests and preferences. Common areas of each house are clean and comfortably furnished, creating a warm family-like environment. Accessibility modifications including ramps, grab bars or tub lifts are installed at the homes to accommodate individuals with special health or mobility needs.

Specially trained staff members are always present to provide each person with the individual support and assistance they require. Each person has an Individual Service Plan and may attend a day program or prevocational program. Evening and weekend activities are scheduled around the interests of each house member. Family visits are encouraged as are trips home for holidays or special occasions.

The CCC Community Home Program is licensed and funded by the Department of Human Services Office of Developmental Programs.
GOLDEN OPPORTUNITIES ADULT DAY PROGRAM

The CCC Golden Opportunities Adult Day Program provides a safe, caring day program environment suited for the needs of older adults with or without disabilities.

The program is located on Whitestown Road in Butler. Participants may attend on a full-time or part-time basis. Activities are planned around the interests and abilities of the participants and are designed to encourage independence. Guests from the community are regularly invited to share their talents and entertain both staff and participants. Assistance with personal care needs is readily available at all times and a full, hot meal is served at lunchtime.

The CCC Golden Opportunities Adult Day Program is funded through government grants and participant fees.
HOMEMAKER CHORE PROGRAM

The CCC Homemaker Chore Program helps adults with disabilities maintain a safe, clean living environment so that they may continue to live independently in the community and avoid institutional placement.

The program provides service to low income Butler County adults, ages 18-59, who have significant intellectual, physical, sensory or mental health related disabilities and have no other family member or friend to assist them. The services are provided on a part-time basis, once every week or every other week and include light housekeeping, laundry, grocery shopping and light chore work.

The CCC Homemaker Chore Program is funded by the Butler County Human Services Department and by private donations.
INFANT-TODDLER THERAPY SERVICES PROGRAM

The CCC Infant-Toddler Therapy Services Program provides therapy and education to children, birth to three years of age, who have a developmental delay or disability. Therapies and instruction that are provided include physical therapy, speech therapy, occupational therapy, special instruction, and nutrition services. Therapy and instruction are provided weekly, bi-monthly or monthly, in the child’s home with parents, siblings or other family members present. Therapy and instruction can also be provided in other caregiver settings such as grandma’s house or the home of a trusted aunt. Staff guide parents and family members through therapy and instruction that will assist their child meet his/her developmental milestones.

All Infant-Toddler Therapy Services Program staff have extensive pediatric experience and are licensed or credentialed to provide service in Pennsylvania. The program currently serves infants and toddlers residing in Butler, Allegheny, Beaver and Armstrong Counties.

The Infant-Toddler Therapy Services Program is funded through a grant from the Office of Child Development and Early Learning (OCDEL). Services are provided free of charge to eligible children, birth to three years of age.
PA ELKS HOME SERVICE PROGRAM

Since 1972, Community Care Connections, Inc. and the Pennsylvania Elks Home Service Program have collaborated to provide information, referral and follow-along services to individuals with disabilities and their families. These services include but are not limited to:

- providing in-home medical care management,
- advocating for an individual’s educational, legal and human rights,
- referring individuals to appropriate human service agencies,
- interpreting clinical findings and acting as a liaison between the individual and his/her health care providers,
- assessing the individual’s need for special equipment and identifying funders to pay for that equipment.

The PA Elks Home Service Program is staffed by a registered nurse. Services are provided in the individual’s home and are free of charge.

The PA Elks Home Service Program is funded through a grant from the Pennsylvania Elks Major Projects, Inc.

“AFTERNOON DELIGHT-ITALIAN STYLE” DANCE

The fourth annual “Afternoon Delight” Dance (formerly A Night to Remember) was held on Thursday, April 19, 2014 at the Atrium, Rt 422 in Prospect. This event was held strictly for our adult consumers aged 16 and older.

Over 80 guests enjoyed dinner and dancing with an Italian theme. Many thanks to our sponsors who underwrote the cost of the event.

We also wish to thank DJ Tom Menchyk for an afternoon of wonderful music.

Lastly, we wish to thank the following members of our staff and our Board of Directors for making sure our guests enjoyed a wonderful experience: Pat Brennen, Sean Daugherty, Diane Early, Kathy Perry, Paula Lieberum, Patrick Erkman, Dan Kudamik, Cindy Harbison, Becky Werner, Lyn Goehring, Paula Nguyen, Heather Frazier, Carol Schultz, Eileen Gordon, Shannon McCall, Carrie Eichner and Samantha Mead.
