

The Infant Stimulation Program of Community Care Connections, Inc.

Date: Thursday February 26, 2009

Time: 6:00 p.m.-8:00 p.m.

Parent Support Group

The Infant Stimulation is providing a parent support group to parents/guardians of children who receive early childhood services, not limited to early intervention.

The topic of discussion will be presented by the Special Instruction Teachers on Routines Based Early Intervention and how you as the parent/guardian can be an active participant in the services you receive. Teachers will share ideas that can help you maximize your child's learning and growth. Child care & structured activities will be provided by therapists of the Infant Program.

Light refreshments provided for parents and children. Time allotted to network with other parents with similar concerns.

Location: *Community Care Connections, Inc.
114 Skyline Drive
Butler, PA 16001*

*Contact person: Melanie Mitro (724) 283-3198 or email at
mmitro@communitycareconnect.org*

**Registration is preferred to allow for proper
staff to child ratio.**
