

# Parent Support Group

 The Infant Stimulation Program of Community Care Connections, Inc.

Date: Wednesday February 27, 2008

Time: 6:30 P.M.-8:30 P.M.

The group will meet on Wednesday February 27, 2008 from 6:30 p.m.-8:30 p.m. The topic of discussion will be presented by the Speech-Language Pathologists on the basics of language development. Activities and a snack will be provided for children. Light refreshments will be provided for adults.

*Topics will vary monthly.*

Do you have concerns about what your child is able to say for his age and how he is producing speech sounds? This month's support group will discuss language milestones, acquisition of sounds and how to stimulate your child's language. Simple, everyday conversation with your child can increase vocabulary, promote word combinations and increase awareness of how to produce speech sounds.

Contact Person: **Melanie Mitro (724) 283-3198** or email at [mmitro@communitycareconnect.org](mailto:mmitro@communitycareconnect.org)  
Registration is preferred to allow for proper child to staff ratio.

Location: Community Care Connections, Inc.  
114 Skyline Drive  
Butler, PA 16001
