Positioning & Mobility Clinic

Community Care Connections Inc. is sponsoring a positioning and mobility clinic for individuals of all ages who need or use adaptive equipment on **Wednesday, September 8, 2010**. You do not need to receive services from our agency to participate in this clinic. This clinic will focus on adjustments that need to be made to existing equipment and exploring the possibility of new equipment. There will be equipment on hand to look at and try out. There will be licensed Physical Therapists on staff to answer your questions. An Assistive Technology Supplier will meet with each individual to assess your needs and show you equipment that may increase your mobility and comfort. If you are interested in attending this clinic or need more information please contact Becki Traggiai, PT at 724-283-3198.

Appointments are required.

Highlights

- Regardless of insurance, you can still participate in the clinic.
- Most advanced and up to date equipment available for your use.
- Appointments Necessary

The office is located off of Route 422 past the Lyndora Exit going towards New Castle. The office is on the left hand side of Route 422.
